

EBG (formerly EIG) surveys to date

These are some of surveys undertaken by members of the European Butterflies Group and usually written up in the European Butterflies Group newsletter of that year or the next. They are often at the request of partners and have contributed to our knowledge of the distribution of many rare and local species. Typically, they are funded by the participants but some received funding from the Thriplow Charitable Trust.

Year	Location	Partici-pants	Partner	Principal Target Species	Outcome
2007	Ecrins National Park (France)	6	Ecrins National Park	<i>Boloria graeca</i> <i>Parnassius apollo</i> <i>Phengaris arion</i> etc	No <i>Boloria graeca</i> found but records sent to Ecrins Naional Park
2008	Aggletek National Park (Hungary)	9	Szabolics Safian	<i>Phengaris arion</i> <i>Euphydryas maturna</i> <i>Parnassius mnemosyne</i> etc	Records submitted to local partner
2008	Bukk Hills National Park (Hungary)	9	Szabolics Safian	<i>Mellicta Aurelia</i> <i>Phengaris arion</i> <i>Euphydryas maturna</i> <i>Scolitantides orion</i> etc	Records submitted to local partner
2008	Chelmos National Park Greece	7	Chelmos National Park. Tristan Lafranchis. Rika Bisa	<i>Turanana taygetica</i> <i>Parnassius mnemosyne</i> <i>P.iphigenia</i>	<i>Turanana taygetica</i> Surveyed and mapped
2009	Orseg National Park (Hungary)	12	Szabolics Safian	<i>Maculinea nausithous</i> & <i>Maculinea telejus</i> etc	Records submitted to local partner
2009	Cluj- (Romania)	6	Sergiu Mihut	<i>Colias myrmidone</i>	<i>Colias myrmidone</i> not present in several former sites
2010	Bernes Oberland (Switzerland)	9	Agneta Heuman	<i>Erebia sudetica</i>	<i>Erebia sudetica</i> found at several sites
2010	Slovenia	14	Szabolics Safian	<i>Limenitis populi</i> <i>Lycaena hippothoe</i> etc	Records submitted to local partner

2010	Orseg National Park (Hungary)	5	Szabolics Safian	<i>Maculinea nausithous</i> & <i>Maculinea telejus</i> etc	<i>Maculinea nausithous</i> & <i>Maculinea telejus</i> surveyed
2010	Phalakron Greece	5	Lazaros Pamperis	<i>Polyommatus nephohiptamenos</i> <i>Pseudochazara orestes</i> etc	<i>Polyommatus nephohiptamenos</i> <i>Pseudochazara orestes</i> recorded
2010	Macedonia	3		<i>P. cingowski</i>	<i>P. cingowski</i> recorded
2010	Arctic Scandinavia	Several groups	Nils Ryholm	The 18 species of butterflies only found in Arctic Scandinavia	Report in EBG newsletter
2011	Montenegro & Croatia	14	Szabolics Safian	<i>Coenonympha rhodopensis</i> etc	Report in EBG newsletter
